**June 22, 5:30 pm – 7 pm**, The Church of Christ at Dartmouth College, Hanover, will host a regional potluck and educational evening with Rev. Edward Matuvhunye, former President of the United Church of Christ in Zimbabwe, as keynote speaker on the History of UCCZ.

### 2016 Container Shipment to Zimbabwe

The United Church Christ in Keene plans to coordinate a shipment of supplies to Zimbabwe on **September 10, 2016**. Ukama Partnership Churches are invited to participate if they so desire. If you are interested, please contact Kathy Blair ([mblair1@ne.rr.com](mailto:mblair1@ne.rr.com)).

### Ukama Sunday – Save the Date

Will your church celebrate your Ukama Partnership this October with an Ukama Sunday? Talk to your pastor about having a worship service on **October 16 or 23** celebrating your partnership. The Ukama Mission Group will have a fall regional educational gathering with ideas and liturgies to share. Date TBD.

### Water/Food Security Project Update

The New Hampshire Conference is well on its way to sponsoring a borehole at Dimiri Primary School in the Mt. Selinda area. Funds will be sent this summer and fall with additional funds used for the purchasing and distribution of maize. Many thanks for the generous donations that have totaled more than \$6,000 so far!

### 2017 Plans for Delegation from Zimbabwe

Would your church like to host a delegate from Zimbabwe in the fall of 2017 (tentative dates are in October of 2017 so that delegates may also attend the New Hampshire Conference Annual Meeting)? The Ukama Mission Group is beginning conversations with friends in Zimbabwe to plan for a delegation of 12. Please contact Rev. Michele Allan ([revallan@uccnorthhampton.com](mailto:revallan@uccnorthhampton.com)) if you would like more information or if your church would like to commit to hosting a delegate from your partner church.
